Information Technology

Engineering

Renovation of Existing Classrooms and Support Spaces

New Cafeteria and Media Center

Renovated Practice Gymnasium

Renovated Performance Gymnasium

Renovated Theater

New Softball Field

What We Heard

Circulation patterns not clear

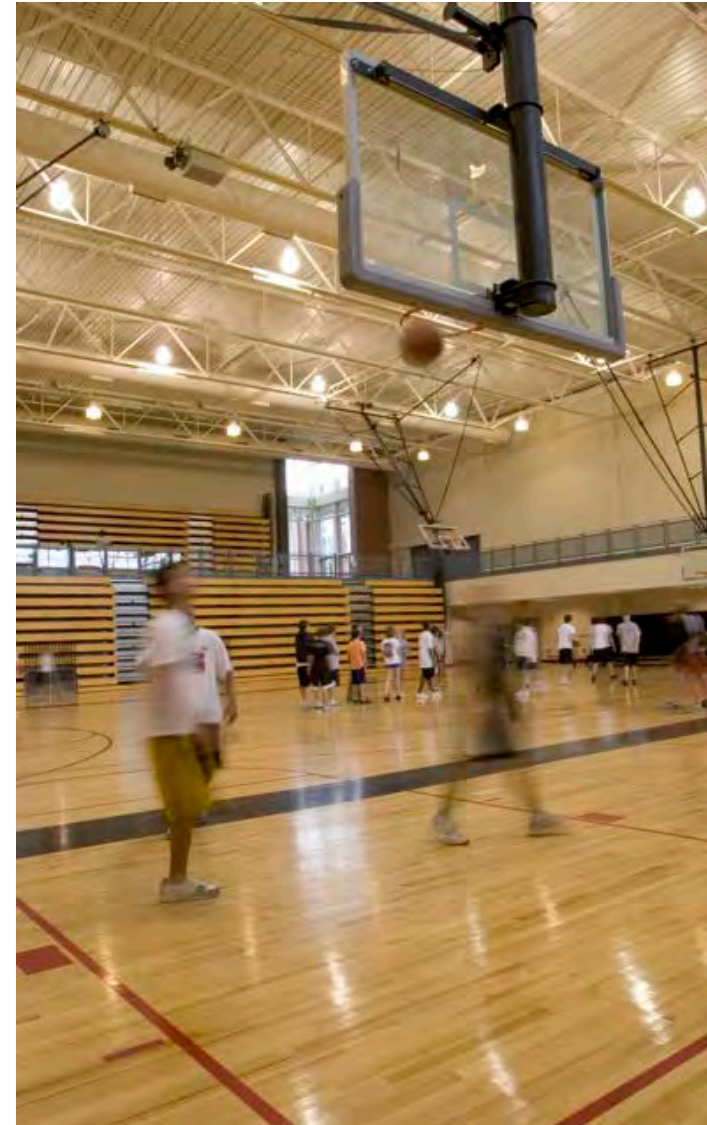

Existing corridors hard to supervise
Want straight hallways
Make better use of space

Need improved separation/ consolidation of each academy

Separate student support suite from main administration area

Upgrade Gymnasium / added seats

Isolate Cafeteria acoustically

What We Heard

Like and want to retain courtyards

Like openness of the building

Desire for more natural light

Desire for better interior lighting

Want building to be inviting

Desire for new front entry

Make basement more inviting
